Accessing NOAA OR&R FTP site *(Public)*   05/14/2007
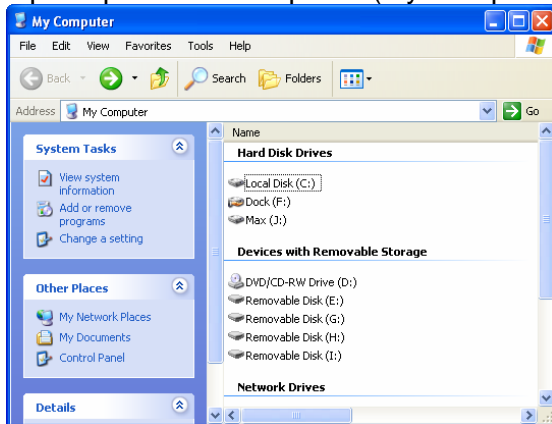

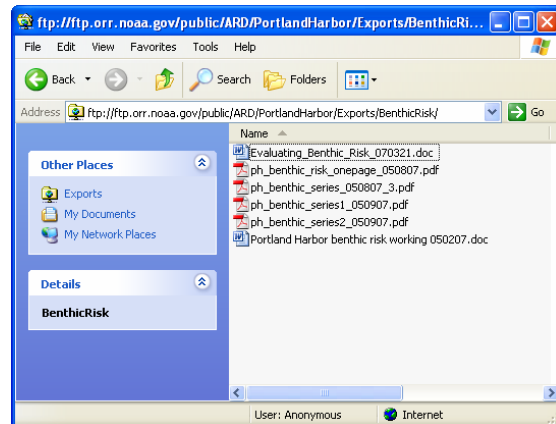

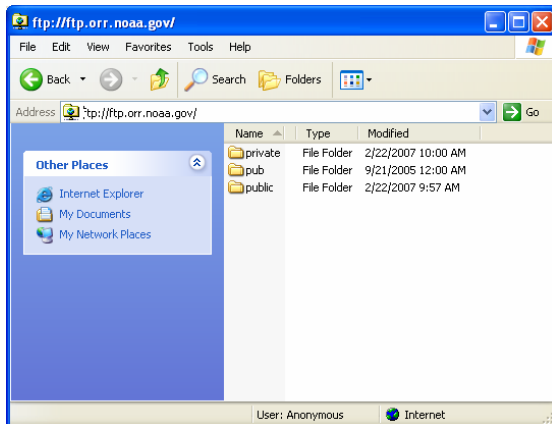

Portland Harbor Superfund Site

Open up Windows Explorer (My Computer, Explorer etc.)

Copy/paste or type into Windows Explorer: ftp.orr.noaa.gov

Double-click folders: **Public** > **ARD** > **PortlandHarbor** > **Exports** > **BenthicRisk**

Copy the files in this folder and paste them somewhere on your local computer.

Notes:
- If prompted for a login, check Anonymous. No user name or password is required to access this Public side of the FTP site.
- If you're comfortable with an FTP client feel free to use it (e.g. WS_FTP or FireFTP)
- You may be able to use Internet Explorer 6, however we have had issues with IE7
